Kenta is sixteen. He is a high school student. He is a member of the music club and plays the guitar in a band. His band is going to perform at the school festival in September.

One day in August, when Kenta's band members were practicing for the festival, one of the members, Erika, said to other members, "I'm looking forward to the festival. It'll be exciting." She is the leader of the music club and plays the drums. She has performed on the stage many times. Kenta didn't say anything. Erika said to him, "( ① )". He said, "I'm a little nervous because I have never performed on the stage. I don't want to make mistakes in front of many people." She said, "Don't be afraid of making mistakes. The important thing is to do your best." She tried to encourage him, but he didn't look happy.

One Sunday in September, Kenta went to his favorite band's concert with Erika. They were very excited to see the great performance by the band. After the concert, they saw their ALT, Ms. Brown. Erika said to Ms. Brown, "Hello, Ms. Brown. I didn't know you were here. Did you enjoy the concert?" Ms. Brown said, "Hi, Erika. The concert was great. I really enjoyed it. I love music." When they were walking to the station together, all of them were excited and enjoyed talking about the concert.

The next day, when Kenta was looking for some magazines about guitars in the school library, he saw Ms. Brown again. She was reading a magazine. He asked her, "What are you reading, Ms. Brown?" She said, "Hi, Kenta. I'm reading a magazine about guitars. I like playing the guitar." He said, "Really? Me, too!" He was glad that she also played the guitar. He asked, "When did you start playing the guitar?" She said, "When I was sixteen, I started playing it. That year, I played it in front of many people for the first time." He asked, "Did you play it well?" She said, "I made some mistakes, but I did my best. I felt happy when I saw my friends' smiling faces from the stage." After he listened to her experience, Kenta wanted the people coming to the festival to enjoy his band's performance. She said, "I want to listen to your performance." He said, "My band is going to perform at the school festival soon. ( ② )". She said, "Sure."

After talking with Ms. Brown, Kenta called Erika. He said, "Now I understand your words." Erika asked, "What do you mean?" He said, "I'll try hard at the festival to make people happy."

On the day of the festival, Kenta's band performed on the stage. Kenta made some mistakes, but he was happy to see many smiling faces from the stage. After the performance, Ms. Brown came to see him. She said, "Your performance was really good." He said, "Thank you. I enjoyed playing the guitar on the stage."

(Two years later)

Kenta is the leader of the music club now. This year, he is going to perform at the school festival with his new band members who are going to perform on the stage for the first time.

One day before the festival, one of Kenta's band members, Manami, said to Kenta, "I'm so nervous. What should I do if I make a mistake?" He said to her with a smile, "When I performed on the stage for the first time, I made some mistakes. So you don't have to be afraid of making mistakes. Let's do our best!"
